20  
21 Dear Sir,

22 By Decision mailed 17 November 2006 (the "Decision"), Applicant's Request for Status  
23 and Petition under 37 CFR 1.47(a) was refused owing to the submission of a defective  
24 Declaration by Norman F. Starkey on behalf of deceased inventor Hubbard.

25 Applicant hereby submits a Declaration executed by Mr. Starkey which is believed to  
26 comply with the requirements of 37 CFR 1.497 (a)-(b). Acceptance is respectfully requested.

27 The Decision has indicated that the remaining requirements of 37 CFR 1.47(a) have been  
28 complied with, and status is accordingly requested. Should anything be further required from  
29 Applicant, however, please do not hesitate to contact the undersigned by telephone, fax, or email  
30 if doing so is convenient and would expedite the disposition of this Petition.
